

## CONVENTION INFORMATION

**HOTEL:** Four Points by Sheraton located at 7438 Argyll Road in Edmonton. This is the same hotel we used when we hosted the convention in 2003 but it is now a Sheraton. It has all been renovated and the rooms are very nice. The hotel has a restaurant, pub, fitness centre, and pool.

**PASSPORTS:** For anyone driving to the convention this summer from the U.S., you will need Proof of Citizenship such as a Birth Certificate plus Government issued photo I.D. such as a Driver's Licence. If you are flying, you will need a Passport. If you do not have one, you should probably look at applying soon. If you have any questions, contact your local passport agency.

**EATING:** The hotel has a restaurant that is open all day plus Wendy's is on the same parking lot. Within walking distance is Arby's, Boston Pizza, Dairy Queen, plus a few others.

**CASINO:** For those that wish to share their money, there is a Casino across the street within easy walking distance. There are also restaurants in the Casino.

**AIRPORT TRANSPORTATION:** Our airport is quite a distance outside of Edmonton. All the regular Car Rental Agencies are at the Airport plus another option is a cab. The cab fare will be approximately \$ 45.00 one way. If you are booking a car, do so early as this is a busy time of year. Also clarify with the company you book with that they have cars at the airport so you won't have to wait for them to pick you up.

**FORT EDMONTON PARK:** Canada's largest living history museum. More than 70 period buildings are set in four time periods. Try your hand at living life as an early pioneer. There's even a restored carousel. Their website is [www.fortedmontonpark.com](http://www.fortedmontonpark.com) but is under construction at the present time. Keep trying.

**WEST EDMONTON MALL:** Over 800 stores and services, over 100 eating places, and 9 theme park attractions to keep you busy. Experience the Greatest Indoor Show on Earth! Their website is: [www.westedmontonmall.com](http://www.westedmontonmall.com)

**PARTS AUCTION:** Bring your spare Edsel parts to sell at the parts auction. The minimum of 10% up to 100% donated to the Chapter – your choice.

**FUNNY MONEY AUCTION:** Please bring an item to donate to this auction. This is a lot of fun and is a good fundraiser for the Club. You pay \$ 5.00 for \$ 100.00 in Funny Money which is what you bid with.
